[Humane Ohio Offers FREE Transportation to Wood County Pets](#) - 06:00 PM

Bring any new or used garden tools to donate to the project, or contribute to a good-will offering to help get this garden rooted!

This project has been made possible through a number of collaborations. The Ohio Association Of Second Harvest Food Banks provided support for an AmeriCorps VISTA (Volunteer In Service To America) who will oversee the development of the Community Garden. The Lucas County Department of Job and Family Services has provided a 2,100-plant vertical growing system and local companies have partnered in the construction of facilities and the donation of supplies.

Kids are welcome to join the fun and childcare is provided.

About the University Church

The University Church is inspired by the Book of Acts, chapter 2:44-47.

- **A** community reaching out to all of God's people, seeking peace and justice
- **C**hrist-centered and Spirit-led through prayer
- **T**eaching, mentoring and guiding through small group interactions
- **S**eeking to meet the needs of individuals and the community
- **T**ransforming individuals, the church, the community and the world
- **W**orship that is relevant, vibrant and alive
- **O**penness, honesty and integrity in all things

We envision a faith community devoted to reaching out, finding meaning in life, improving the community, re-envisioning the church and transforming the world.
